INTRODUCTIONS

Chair Sassan Rahimzadeh initiated the meeting and welcomed CCWG members and the public.

MEETING #8 RECAP

Brendan Reed (City staff) provided a brief summary of the last CCWG meeting.

SECTOR FOCUS GROUP REPORT OUTS

The 4 subgroups – Energy, Water, Transportation, and Solid Waste/Wastewater – presented their suggestions for actions that should be included in the Climate Change Working Group's recommendations to the Resource Conservation Commission and City Council. CCWG members discussed and reached consensus on a list of draft recommended actions.

PLANNING PROCESS NEXT STEPS

Brendan Reed (City staff) presented the draft format and agenda for the CCWG's Climate Action Public Forum on October 14th. CCWG members supported the agenda and were encouraged to help advertise the event to their members/organizations.

OTHER ITEMS

Chair Sassan Rahimzadeh announced that the CCWG would not need to meet on October 1st as originally planned. Rather, staff will electronically distribute the reformatted draft recommendations to CCWG members, who can email staff any suggested edits prior to the Climate Action Public Forum. There were no public comments.
